McLean, Va., September 4, 2015 – Bernhardt Wealth Management, a nationally recognized fee-only wealth management firm, announced that all three advisors have been named to *Northern Virginia Magazine's* Top Financial Professionals List for 2015. The honored advisors include, President and CEO Gordon J. Bernhardt, Principal Timothy S. Koehl, and Senior Financial Advisor Solon Vlasto. “Our focus is on helping our client preserve their wealth; mitigate taxes; take care of their heirs; protect themselves, their heirs and their assets; and provide charitable giving to causes they care most about,” explained Bernhardt. “By addressing these five concerns while serving as their trusted Personal Chief Financial Officer, our clients can sleep better at night and have the freedom to develop a quality of life that enables them to spend more time with their family, concentrate on their profession or business, give back to their community or charitable causes, or pursue their personal dreams.”
